The Democratic Ticket as found at our mast-head (and not in the advertising department,) is a very good one and also a popular one. We know of but one man in our party in the County who is opposed to it, and declares he will not vote it. Let every Democrat work carnestly and faithfully for this Ticket on election day and the majority in this County will be considerably

FOUND DEAD. - The hostler of Joseph Long, proprietor of the Susquehanna Hotel in this place, died in his bed on Thursday night of last week. He was found on Friday morning stiff and cold. He had been ill for 50 years, and named George Miller. Wounds received in the army, from which he was still suffering, no doubt hastened his death. -Northumberland Democrat.

The Republican party is dead in this County. They are powerless for harm .-They have not had one public meeting in this County, this Fall. General apathy seems to prevail in their ranks. The State is ours. Cheer up my lively lads, the storm will coon be o'er, and the State put down for the Democracy in this as well as the Presidential campaign.

Ser We take pleasure in introducing to the citizens of Shickshinny our young friend, JOHN H. BATES, of Bloomsburg, as a gendeman of honesty and pure integrity. He is a worthy and exemplary young man, and his conduct and strict attention to business will merit for him success. He will carry on

Next he says that the Bank payed "in one year-1866-as taxes, Twenty Thousand AND EIGHTY-THREE DOLLARS AND FIFTY-Seven Cents"! (Abnost half the amount of the capital steck.) Who, for a moment, believes this to be true; we don't, nor does any sane man, if he knows anything as to the amount of business done in a country town Bank, with a capital of Fifty Thousand Dollars, and a circulation less than that amount. What, Doctor, is the average amount of deposits? What is the average amount of circulation? What is the number of shares? on which the owners are requested to pay a small amount of tax. On what is this evermous amount of tax raised and by whom is it paid? Let the Doctor explain. It is true the Legislature, at its last session, imposed a small tax on Nationsome time. He was a German, aged about al Banks for State purposes alone; but from what are the County, Poor, Road, and School taxos raised? Not from these Insti-

> tutions. Lastly, he charges us with "deliberate ly ing'! Now this is blackguardism, and the editor of the Republican seems to have a license for the use of billingsgate. We don't like that kind of talk, and no gentleman of fine tastes and sensibilities would make use of such language.

We have written the above out of no ill feeling towards the Bank, as it is a necessary and useful Institution, and there are many honorable gentlemen connected with it.

Hanover, Pa., Feb. 16, 1859. Messrs. S. W. Fowle & Son, Boston. Dear Sirs: —Having realized in my fami-ly important benefits from the use of your valuable preparation—Wistar's Balsam of Wild Cherry-it affords me pleasure to re-commend it to the public. Some eight years ago, one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she bad taken the whole of it there was a great improvement in her health. I bave, in my ndividual case, made frequent use of your valuable medie ne, and have been benefitted by it, I would, however, caution the public against imposition, because there is a good deal of spurious Wistar's Balsam of Wild Cherry affoat throughout the country.
